# TABLE OF TRUST.

TRUST

OPENNESS.
Say what you think.
Show how you feel.
Reveal. Be transparent.
Open up. Invite.
Accept.

HONESTY.
Stand up for yourself.
Stick to the truth.
Do not make up stories.
Do not interpret.
Stay factual.

RELIABILITY.
Promise what you
can deliver. And deliver
on your promises.
Experiment in order
to learn.

A LEAP OF FAITH.
Take the risk and trust
the other first. It will
usually be reciprocated
back.
